### Risk Management

The AEF MUST be prudent about liability issues that could arise from our association with any equine activity, therefore:

- **A current certificate of insurance confirming general liability insurance (min \$2 million) for your Club MUST be received by the AEF before your club membership becomes valid (Capri Insurance offers preferred rates for AEF members, call 1-800-670-1877).**
- To further protect Clubs Risk it is highly recommended that all individuals of your club be members of the AEF.
  - **Important** - a condition of the Capri Club Liability Insurance is ensuring that all your club/group members (individuals) who are actively riding or driving are also individual AEF members. This does not apply to social or honorary members who no longer ride or drive in club/group associated activities. If a loss were to occur involving one of your active riding or driving club members, and it is found that they are not an individual member of the AEF, then your insurance may become null and void.

Does your club require active riding or driving individuals to be AEF members? Yes      No
