

Western Learn to Ride Program Equivalencies/Exemptions/Challenging & Instructor/Coaching Prerequisites

Challenging Exam:

Riders have the opportunity to challenge a Rider Level. They are required to write and pass all prior written levels up to and including the level they are challenging as well as the stable management components. Riders are responsible for reviewing the requirements at each of the prior levels. If a candidate is unsuccessful at the Rider Level they are challenging the evaluator has the option to award the rider with the appropriate level.

Evaluator forms will only be released by the Alberta Equestrian Federation to active Instructors and Coaches who are eligible to evaluate at a particular level.
