RISK MANAGEMENT

AEF MUST be prudent about liability issues that could arise from our association with any equine activity, therefore:

- **A current certificate of insurance confirming general liability insurance (min \$2 million) for your Club, MUST BE received before your club membership becomes valid; 45 day grace period is provided.** CapriCMW Insurance Services offers Club Insurance at preferred rates for AEF Clubs – call 1-800-670-1877.
- To further protect your Club's Risk it is highly recommended that all members of your club also be members of AEF. **Important** – a condition of CapriCMW's Club Liability Insurance is ensuring that all your individual club members who are actively riding or driving are also AEF members. This does not apply to social or honorary members who no longer ride or drive in Club associated activities. If a loss were to occur involving one of your active riding or driving club members, and it is found that they are not a member of the AEF, your insurance may become null and void.

Does your Club require active riding or driving individuals to be members of the AEF? Yes No
